Robinsons Malls continues to support the vaccination programs of local government units with the recent opening of a vaccination hub for “QCitizens” of Barangay Kaunlaran under the A1-A3 category.

These citizens were recently inoculated at Robinsons Magnolia.

Located at Robinsons Magnolia’s expansion mall, residents of Barangay Kaunlaran were provided a safe, spacious and comfortable space while they wait for their turn to be vaccinated. One hundred fifty medical frontliners, senior citizens and persons with comorbidities together with barangay captain Christopher Cheng benefited from this vaccination drive dubbed as “QC Protektado sa Bakunang Sigurado.”

This further strengthens the fruitful partnership between the Quezon City government and Robinsons Malls as it sets to roll out two more vaccination drives in the latter’s Quezon City malls – Robinsons Novaliches and Robinsons Galleria.
