## Message

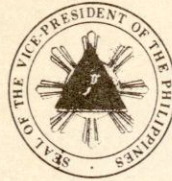

*Allow me to convey my warmest greetings and congratulations to the People's Welfare Council, Area XIII, District IV of Quezon City, on the inauguration of the Ninoy Aquino Sports Center.*

*My children and I deeply appreciate this expression of your regard for Ninoy. We accept it in all humility, conscious that the fight for democracy and freedom that Ninoy had begun must be a continuing struggle for change and a constant rebirth of ideals.*

*I earnestly believe that in paying Ninoy this tribute, you do so in recognition of his ideals and willing sacrifice that answered our prayers for freedom.*

*Now that the mantle of leadership of the Filipino people has fallen on my shoulders, I find solace in Ninoy's faith in the Filipino. I draw comfort and confidence from his assurance that I am leading a great people: one that he died for, one that I must live and work for.*

## Message

*It is with great pleasure and a profound sense of honor that I extend my greetings to the People's Welfare Council of Area XIII, District IV IN Quezon City on the occasion of the inauguration of the NINOY AQUINO SPORTS CENTER.*

*On of our country's foremost patriots, Dr. Jose Rizal, once referred to the Filipino youth as the "bright hope of the fatherland." The Filipino youth today are indeed fortunate to be granted the primacy due them by organizations such as yours that promote the physical well-being of our nation's young citizens through the construction of sports facilities such as this.*

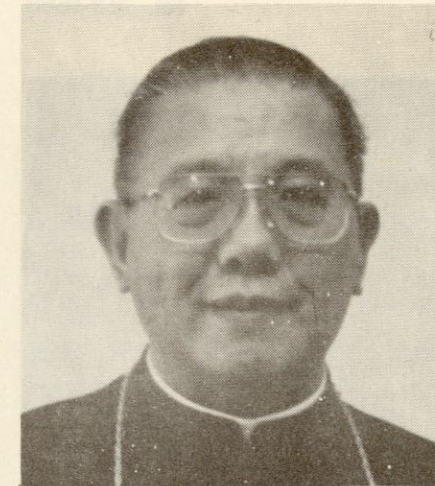

*It is also fitting that this edifice which invests a great amount of time and material resource in the development of our country's youth, be dedicated to the foremost Filipino patriot of contemporary times, the late Senator Benigno S. Aquino Jr. To Ninoy, and other martyrs before him, our people owe their rebirth into a new era aimed at establishing a new moral democratic order in the Philippines.*

*To the dedicated men and women behind the construction of the NINOY AQUINO SPORTS CENTER, the Filipino people will count on your continued commitment in briging about the progress and prosperity of our nation.*

## Message

*On the occasion of the inauguration of the Benigno S. Aquino, Jr. Sports Center, I wish to convey my prayerful best wishes while I recall the piety and love of our beloved departed senator whose devotion to Jesus in the Blessed Sacrament and fidelity to the daily rosary in honor of the Blessed Virgin Mary are outstanding source of inspiration for our spiritual and physical discipline.*

*As we commit ourselves to the task of responding to God's generous love we come to realize that he could not be matched in his care for our bodily and spiritual well-being. He not only gave his only Son to take part in our flesh and blood existence as human being but also desired the very Body and Blood of his Son to be accessible to us in the Blessed Sacrament. This is a constant yet silent communication of God's magnanimity in making his power be disposed for our welfare. In such magnanimity even the nobility of motherhood got exalted when he made the role of providing not only flesh and blood but also loving concern in rearing her child be the share of our fellow human being, Mary of Nazareth, whom he raised so highly so as to become the Mother of God.*

*May such trust and generosity be responded by all of us day by day as we do our task for the success of the enterprise for which we dedicate both our unceasing prayer and endeavor.*

*Sincerely yours in Christ and Mary,*

  
+ JAIME CARDINAL L. SIN, D.D.  
Archbishop of Manila

## Message

*Human resource development should be a primary concern of society such that individuals may be moulded into healthy and upright citizens. The establishment of the Ninoy Aquino Sports Center would serve as a fitting venue for the physical and social development of our people. When each individual learns to play and work together for common ends with mutual understanding and consideration for the rights and duties of others, then we have inculcated in them the right social values like the love of fellowmen, respect for established rules, honesty, sense of belongingness and unity vital to the establishment of a strong democratic society.*

*Congratulations and more power to you.*

## Message

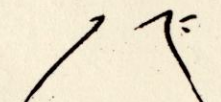

*I am happy to know that Quezon City has added a new landmark with the construction of the "Ninoy Aquino Sports Center." Residents of Quezon City certainly deserve a Sports Center of their own, in the wake of our people's concern to develop a sound mind and a sound body.*

*I am also glad that the Center was named after the late Senator Benigno Aquino, Jr. — — — a fitting tribute to a man who gave his life for his countrymen.*

*The People's Welfare Council of Quezon City truly deserves a hearty congratulation for a job well done. More than ever, Mayor Brigido R. Simon, Jr. should be cited for the dedication of his co-workers in government. With him at the helm, they make Quezon City a much better place to live in.*

*I am sure that Metro Manilans share the joy of all those who made the construction of the "Ninoy Aquino Sports Center" possible. On its inauguration therefore, allow me to extend a warm hand to the leaders in Quezon City.*

*Congratulations!*

## Message

*I take special pride and pleasure on the occasion of the inauguration and ribbon-cutting of the "NINOY AQUINO SPORTS CENTER", a structure built as a project of the Quezon City Government upon initiative of the People's Welfare Council, Area 13, District IV, Quezon City.*

*The edifice, no doubt, will serve the recreational needs and social activities of the community of the thickly populated Galas District, this City, and stands as a fitting tribute to the deeds and legacy of a great man after whom the sports center is named.*

*We dedicate this center, therefore, to that man who offered his life for freedom and democracy.*

TO ALL GALAS RESIDENTS:

*Congratulations to the people of Area XIII, specifically the Galas Residents for putting up a Ninoy Aquino Sports Center-Galas Mini-Park, a manifestation of your unity in honoring a great hero who offered his life for his countrymen.*

*No amount of accolade is enough to fill-up the void brought about by the unpardonable murder of Ninoy Aquino but a project like this Sports Center will definitely immortalize the memories of a great man whose youthfulness symbolizes the need for more development projects affecting the youth of the land.*

*Again, Congratulations to all and also to the political and civic leadership in Area XIII, Quezon City.*

It is my privilege to extend to the officers and members of People's Welfare Council warmest felicitations on the occasions of the inauguration of the Benigno S. Aquino, Jr. Sports Center at Bgy. San Isidro, Galas Quezon City.

This milestone of a project is a giant step in beckoning the youth to noble endeavor of sports and brotherhood as a positive response and contribution to the administration's effort in fostering peace and reconciliation. The PCSO expresses its support for egalitarian projects more than ever before, and shall do so if only to alleviate the loss of various organization in meeting the universal objective of fraternal interaction in various useful norms.
