MESSAGE

Quezon City for the past seven years has had one important reason to rejoice. For its favorite son finally has decided to come home after realizing how much his city needed him. Not that he had ignored and abandoned his beloved community, but rather he saw it fit to tender his dedication and leadership to the entire populace of Metro Manila.

Indeed Metro Manila had gained so much during Ismael A. Mathay's term as Vice Governor of the Metropolis. However, knowing how much help Quezon City at the time needed his help, he did not hesitate a bit to offer and focus his time and attention to its constituents. Without hesitation, this offer was accepted, and for good reason. For pretty soon, Quezon City recovered its tag as one of the premiere cities of the country, having been expertly and ably steered into this position by none other than Ismael A. Mathay.

Today, we thank the leader, the man, the friend, the brother. On behalf of Quezon City, **MAYOR ISMAEL A. MATHAY, JR.**, A VERY HAPPY BIRTHDAY!
