MESSAGE

I join the people of Quezon City in conveying warmest felicitations and best wishes to Mayor Ismael A. Mathay, Jr., on the occasion of his birthday.

Mayor Mathay spent thirty-three or almost half of his entire life in the service not only of Quezon City but also of the entire country. If not for the statutory limitation on the number of terms a person can serve as mayor, the people of Quezon City would undoubtedly want him to remain as their beloved mayor. In any case, I am certain that he will continue serving our people in the years ahead.

There is no denying the great accomplishments that Mayor Mathay has achieved as leader of our City. These accomplishments have no doubt made a great difference in the lives of our people, particularly the marginalized and underprivileged. For such accomplishments, I can assume that the people of this City join me in thanking him and in wishing him well in all his undertakings.

I am privileged to have been given an opportunity to assist this outstanding local executive in leading our City into the new millennium. In performing my duties, I draw encouragement from Mayor Mathay whose energy and sagacity continue to inspire me.

Happy birthday, Mr. Mayor!

GREG BAÑACIA & STAFF

It is with great pleasure and honor to express our sincerest greetings to our beloved Mayor Ismael A. Mathay Jr. on his 68th Natal Day.

We deeply appreciate the opportunity he has given us to be part of his administration in achieving his dreams and aspirations for the whole City and particularly in Novaliches area. Notably, the Novaliches District Center which was established more than one and a half decade ago was not left behind with the present developments. It has finally transformed into a conducive working place with its well lighted and well maintained facilities, fully air conditioned conference rooms and offices offering a warm welcome and accommodating every group and individuals who wish to make use of it and avail of its services.

Truly indeed, this is a part of his legacy, a humble manifestation of his concern for the upliftment of services to his constituents, a district center, a mini city hall, a government closer to the people….

BIRTHDAY GREETINGS

In behalf of the Division of City Schools, Quezon City, I wish to extend my warmest greetings to the *Honorable Ismael A. Mathay, Jr., the People's Mayor* on the occasion of his birthday.

For a man, who in words, " have come full circle", Mayor Mathay has touched many lives and will certainly leave an enduring legacy of accomplishments most especially in the field of education. He has truly lived up to his well-deserved title as the *Education Mayor*, by prioritizing education, he has made possible the construction of a good number of school buildings in all Congressional Districts. The expansion of scholarship program for the less privileged, the increase in teachers' allowance and the improvement of teaching quality by sponsoring seminars for school administrators and teachers.

All these are eloquent testimonies to Mayor Mathay's commitment and dedication to enhance through education the socio-economic condition of the people whom he had sworn to serve.

Maligayang Kaarawan Mayor!

MY FATHER'S SONG

I am my Father's namesake
His spirit I surely emulate
I am my Father's son
In his footsteps steadily
I've gone.

Whither trials, troubles and sadness come
I remember my Father's arms, so safe and warm
And when betrayal leaves my soul weak
My Father's love taught me to be meek.

More than all, his words of wisdom command
Never to let fears in my heart demand
But to God in heaven, all my prayers
rise and my faith is gladdened
For only to God be the Glory and
that nothing should worry.

Because of my Name,
ISMAEL, I am heard of God
and will overcome.
