WHEREAS, in 2005, the Quezon City Council passed Ordinance No. SP-1479, S-2005 entitled "An Ordinance declaring a Moratorium in the Franchise of Public Utility Tricycles in Quezon City and for other purposes" (hereinafter referred to as the Moratorium Ordinance, for brevity). The passage of the said Moratorium Ordinance was due to the proliferation of tricycles in practically all streets and roads of Quezon City, encroaching even the main thoroughfares, congesting the road network and complicating further the already complex traffic situation of the City;

WHEREAS, after the passage of the aforementioned Moratorium Ordinance, there are some tricycle associations, such as the herein applicants, that are left with pending applications for franchise before the Tricycle Franchising Board (TFB). With that, they still exist and operate for the main reason that their existence and operation are very much necessary in their respective areas; otherwise, transportation would be paralyzed;

WHEREAS, Section 3 of the Moratorium Ordinance states that "the Committee on Transportation and Communication [now Committee on Transportation] of the City Council shall conduct a study on the present state of operation of public utility tricycles in the City in aid of legislation with the end view of coming up with an ordinance that will rationalize the authorization and deployment of tricycles on the roads, streets and thoroughfares in Quezon City";

WHEREAS, Section 4 of the Moratorium Ordinance further states that "the City Planning and Development Office [now City Planning and Development Department], in coordination with the Committee on Transportation and Communication [now Committee on Transportation], shall likewise conduct a study on the operation of tricycles and other transportation modes, the City's transport corridors and road networks, traffic demands and projections and other relevant economic and transport matters, in view of coming up with a comprehensive transportation/traffic plan for Quezon City";

WHEREAS, in 2014, the Quezon City Council enacted Ordinance No. SP-2337, S-2014, otherwise known as the Quezon City Tricycle Management Code of 2014, recognizing the vital role of tricycles in the public transport system of the City and the Metropolis as a whole. The franchising and operation of tricycles shall be controlled and regulated with the end view of effectively managing these vehicles for basic services;

WHEREAS, the Quezon City Tricycle Management Code of 2014 implemented the "One-Strike Policy" against apprehended colorum tricycles in order to address the proliferation of colorum or illegal units;

WHEREAS, under Republic Act No. 7160, otherwise known as the Local Government Code of 1991, certain functions of the Department of Transportation and Communications (DOTC) were transferred to the Local Government Units (LGUs). Thus, Section 458 of the Local Government Code of 1991 provides for the corporate powers of the City, which include;

> *"(3) Subject to the provisions of Book II of this Code, enact ordinances granting franchises and authorizing the issuance of permits or licenses, upon such conditions and for such purposes intended to promote the general welfare of the inhabitants of the city and pursuant to this legislative authority shall:*
>
> *x x x*
>
> *(vi) Subject to the guidelines prescribed by the Department of Transportation and Communications, regulate the operation of tricycles and grant franchises for the operation thereof within the territorial jurisdiction of the city."*

WHEREAS, in 1992, the Quezon City Council passed Ordinance No. SP-15, S-1992 entitled "An Ordinance Franchising and Regulating the Operation of Motorized Tricycles in Quezon City" otherwise known as the "Quezon City Tricycle Ordinance of 1992," but due to the dramatic change contributed by the operation, regulation and demographic aspects of the City through time, the said Ordinance was therefore considered as outdated, thus the need to update the same;

WHEREAS, pursuant to the mandates provided for by the Moratorium Ordinance, the City Planning and Development Department (CPDD) and the Committee on Transportation of the Quezon City Council conducted a tricycle study using an on-board passenger origin-destination (O-D) and tricycle mapping survey using an on-board data collection device equipped with sensor and Global Positioning System (GPS) capable of recording passenger boarding and alighting times and locations;

WHEREAS, as a result thereto, the CPDD submitted the final report to the Phase 2 program of the Tricycle Route Measured Capacity (RMC) Study for Unserved Routes in Quezon City;

WHEREAS, it is the primordial concern of the Quezon City Government to update the existing Routes or Zones of tricycles in Quezon City and uphold the livelihood of the tricycle sector by granting herein tricycle associations legitimate franchise;

WHEREAS, pursuant to Quezon City Ordinance No. SP-387, S-96 entitled "An Ordinance Instituting Tricycle Zones/Routes in Quezon City, Designating Their Numbering Scheme and Fixing their respective Route Measured Capacities (RMC) thereof," for the Novaliches Damong Maliit Tricycle Operators and Drivers Association, Inc. (NDM TODA) to operate 105 Motorized Tricycles-for-Hire to ply the route within Barangay Novaliches Proper and Nagkaisang Nayon via Damong Maliit, Gen. Luis Ave., to Fe De Jesus Subd., Queenland Village, Jordan Hts. Subd., and vice versa," there is need for an authorization from the City Council;

WHEREAS, the 1st update of the existing RMCs of NDM TODA was under Quezon City Tricycle Franchising Board (QCTFB) Case No. 97-119 entitled "Petition for Additional Route Measured Capacity (RMC) of that tricycle established within Barangay Nova Proper and Nagkaisang Nayon via Damong Maliit, Gen. Luis Ave., to Fe De Jesus Subd., Queenland Village., Jordan Hts. Subd., and vice versa," for the additional 60 motorized tricycles-for-hire to operate for the aforesaid TODA;

WHEREAS, the 2nd update of the existing RMCs of NDM TODA was under Quezon City Resolution No. SP-2306, S-2003 entitled "A Resolution Granting Additional Forty-Five (45) Route Measured Capacity (RMC) for the Operation of Motorized Tricycle-for-Hire within the Route Covered by Novaliches Damong Maliit Tricycle Operators and Drivers Association (NDM TODA), District II, Quezon City," for the additional 45 motorized tricycles-for-hire to operate for the aforesaid TODA;

WHEREAS, the 3rd update of the modification petition for the name change of the NDM TODA, as part of the Quezon City Tricycle Franchising Board (TFB) Certification, was discussed during the regular hearing on January 16, 2025; this petition requested to change the Association's name to Damong Maliit Nagkaisang Nayon Novaliches Tricycle Operators and Drivers Association (DMNNNTODA). The meeting included copies of the TODA Resolution, Barangay Nagkaisang Nayon Resolution approving and supporting the petition, as well as the Securities and Exchange Commission (SEC) approval, all of which were duly signed by members of the TFB Board. As such, there is a need for authorization from the City Council to proceed.

WHEREAS, upon perusal of the Petition for its accreditation, it was revealed that NDM TODA is registered with the SEC and is a Civil Society Organization accredited by the Quezon City Council and the Barangay and Community Relations Department (BCRD);

WHEREAS, NDM TODA Resolution No. 3, Series of 2022 sought the legalization of their existing 22 colorums;

WHEREAS, the Sangguniang Barangay of Barangay Nagkaisang Nayon endorsed to the Tricycle Franchising Board (TFB) the accreditation of 22 units of the DMNNNTODA for the granting of regular franchises, and members or homeowners and the tricycle-riding public, as a whole, support the application for the issuance of franchises through a resolution or certification;

WHEREAS, the District V TODA Presidents Federation, Inc. endorsed to the TFB the request for additional 22 tricycle units of the DMNNNTODA for regular franchise in support of the application for issuance of franchise for certain Tricycle Operators and Drivers Association (TODA) in District V, Quezon City;

WHEREAS, the Tricycle Regulation Division (TRD) of the Traffic and Transport Management Department (TTMD), in coordination with Barangay Nagkaisang Nayon, transmitted the attached list of operators or members of DMNNN TODA for the physical inventory of 22 units to operate additional RMCs to underserved areas in this City;
