Ang Regalong Tsokolate

Ni: Bienvenido P. Ongkiko, III

There are things that we want and dream of having. Passion and determination are what drives us to achieve them and turn them into reality. The QCPL District 5 libraries, composed of Lagro and Novaliches Branches, showcased this through storytelling animation activity entitled, "Ang Regalong Tsokolate" where the main character, a child, does everything she can to achieve her goal of getting a gift chocolate for her dear friend. Animated and voiced over by Mr. Lary Bael, Jr. and Mr. Bienvenido P. Ongkiko, III, respectively. The story is an original story authored by Tariq Manzoor, illustrated by Tawfiq Ahmed Anwar and published by Lets Read: The Asia Foundation, was brought to life and posted on the Quezon City Public Library official Facebook page earning likes and shares.

These children were all smiles as they held the books provided to them for free by QCPL-District V Libraries under its Pick-A-Book project.

QCPL ONLINE BOOK MOBILE SINIMULAN SA BAGO-BANTAY ELEM. SCHOOL

BY: RENY ROSE V. MARAVILLA

Isinagawa ang kauna-unahang Online Book Mobile sa mga mag-aaral sa ikalimang baitang mula sa Bago Bantay Elementary School noong Pebrero 15 sa ganap na ika-9 ng umaga kung saan mayroong 24 na estudyante ang nakibahagi dito. Ang naturang aktibidad, na ipinalabas sa Google meet, ay pinangunahan ni Ms. Bernah-Marie Ocumen, na nagbahagi ng panimulang salita, layunin at mga patakaran. Kasama rin sa nasabing aktibidad si Ms. Reny Rose Marvilla mula sa Children's Section, na nagbahagi naman ng kwento na may pamagat na "Signal no. 3" na isinulat ni Luis P. Gatmaitan at iginuhit naman ni Jether Amar. Binigyang diin ng naturang kwento ang kahalagahan ng mga puno dahil ito ang nagbibigay sa atin ng sariwang hangin at nakakatulong para maiwasan ang mga pagbaha. Ipinakita din nito ang kahalagahan ng pagiging handa sa panahon ng sakuna.

Ang tunguhin ng programa ay itaguyod ang pagbabasa sa paggamit ng mga gadyet/teknolohiya sa panahon ng pandemya habang ipinapakita din ang kakayahan ng QCPL na magturo at itaguyod ang pagkatuto sa ilalim ng anumang kalagayan.

WHAT'S IN A LIBRARY?

BY: ALISTAIR TROY B. LACSAMANA

What is a Library? According to an online definition from Oxford Languages, it is a building or room containing collection of books, periodicals, and sometimes films and recorded music for people to read, borrow, or refer to. Even before the pandemic, libraries have a collection called databases. It is an online collection of books, periodicals and videos. Last February 22, the Quezon City Public Library, together with the National Library of the Philippines and Quezon City Schools Division Office, organized an orientation on the NLP's paid and subscribed databases.

QCPL, OIC-City Librarian Ms. Mariza Chico welcomed the 165 participants from the zoom meeting and 60 others from Youtube. She was hopeful that the librarians who participated will be ready to provide their clients with useful and credible sources of information. Ms. Dolly Carungui, Reference Division Head of NLP, said it is the role of librarians and teachers to educate and teach the public and students with tools and techniques in their research and studies. Ms. Xenia Romero ably presented the databases and answered all the inquiries of the participants. Dr. Beloy, of the SDO Office of Curriculum Development, noted that the orientation was very important in encouraging students to develop their love and interest in reading and being given access to wonderful sources of information. To our public library clients and students, happy exploring. You may access the orientation video here: <https://youtu.be/oZkK4bMXaE>

BATINO ELEMENTARY SCHOOL SPED CENTER, QCPL VIRTUAL PUPPET SHOW

BY: GILBERT GALLAZA

Halos mag-iisang taon na ang nakakaraan nang isara sa publiko ang mga museo, sinehan, at mga aklatan o library dahil sa patuloy na paglaganap ng Covid 19. Buwan ng Marso, 2020 nang huminto ang mga outdoor activities ng Quezon City Public Library. Ilan sa mga ito ay ang patok na puppet show ng Recreational Section, ang storytelling session ng Children's Section sa mga paaralan across the metro at maging ang paghahatid impormasyon at educational activities na ibinibigay ng QCPL book mobile sa mga pampublikong paaralan ng libre, ay tumigil din. Subalit ang pagpapasaya ay hindi lamang natatapos sa pagtatayo ng mga puppet stage o pag-iikot sa mga paaralan.

Nagsimulang bumuo ang QCPL ng iba't ibang activities online na ngayon ay napapanood sa kanilang social media platform na bunga naman ng mga malilikhaing isip ng mga empleyado mula main at iba't ibang library branches.

At sa pagpasok ng taon 2021, kasabay ng pagdiriwang ng National Intellectual Disability Month noong Pebrero, ang Recreational at Children's Sections ay muling nagsama-sama upang mabuo ang plano ng inyong lingkod na maglunsad ng isang kakaibang pagtatanghal. Isa ang Batino Elementary School SPED Center sa mga paaralang lubos ang suporta sa ating programa para sa mga special learners. Sa katunayan, ito ang unang nagpaabot ng kanilang kagustuhan na tayo ay makibahagi sa kanilang taunang pagdiriwang.

February 23, 2021, Martes, bandang 9am ng umaga, naganap ang kauna unahang QCPL virtual puppet show. Ito ay ipinalabas sa youtube channel (puppet ni berto) na hanggang ngayon ay maaari pa ring mapanood sa naturang channel. Gamitin lamang ang time code sa description ng video para sa piling sequence na nais panoorin. Ito ay kinatatampukan ng apat na live puppet skits, storytelling and puppet interview with National Trustee, Ms. Maria Joyla N. Ofercia, North Luzon cluster head ng Autism Society Philippines.

Ito ang nagsilbing main event para sa nasabing selebrasyon na may temang "Love Can Do Wonders" na siya namang tinangkilik at masayang pinanood ng may mahigit na 200 participants, parents and kids.

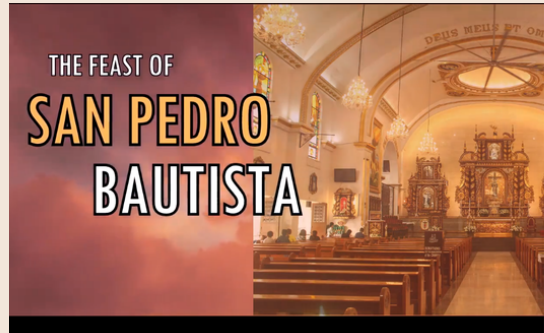

Nagpapasalamat kami ng marami sa QC Lib, in behalf of Ma'am Jaida and the whole group. Inuulit naming panoorin as a group. Congratulations!" – ang mainit na pagbati mula sa kanilang CWID-focal person na si Ms. Madonna A. Del Moro.

Tumagal ang programa ng 30 minuto. Sa panahong iyon, hindi lang ito basta selebrasyon, kundi paraan na rin ng QCPL na matulungan ang ibang mga bata na malimutan kahit panandalian lamang ang mga pagbabago sa paligid ngayong panahon pa rin ng pandemya.

FEAST OF SAN PEDRO BAUTISTA

BY: PRIMA S. ALABATA

In celebration of the Pedrista Festival, the Quezon City Public Library (QCPL)-District III Branch Libraries, composed of Escopa 2, Escopa 3 and Greater Project 4, conceptualized and presented a video posted at the QCPL facebook page that featured the life of San Pedro Bautista as per approved QC Ordinance SP# 2435 dated June 29, 2015, declaring San Pedro Bautista as Local Heritage Site of Quezon City". The yearly celebration was organized by the San Pedro Bautista Priests in honor of its founder and patron, San Pedro Bautista.

According to history, Father Bautista founded the town of San Francisco in 1590 and built the town church, now named the Santuario de San Pedro Bautista, which is considered as one of the oldest landmarks in Quezon City. People living in San Francisco del Monter are proud to be the home of this religious figure that played a significant role in shaping the course of the City's history.

BABAE: AN ORIGINALLY WRITTEN AND PERFORMED SPOKEN POETRY

BY: PRIMA S. ALABATA

As part of their willingness to share stories with younger generations, the staff of QCPL-District 3 Libraries introduced their collaborative ideas aimed at inspiring their audience to develop their interest in writing and demonstrative original spoken word poetry. QCPL described spoken word poetry as one of the most effective ways to communicate and express our deepest feelings and thoughts.

The theme was women-related, as the nation commemorated "Women's Week" every 1st week of March and "Women's Rights and International Peace Day" every 8th day of March under Proclamation No. 224, s. 1988, which was approved and signed by then-President Corazon C. Aquino on March 1, 1988 and the month-long commemoration of "Women's Role in History" under proclamation No. 227, s. 1988 signed also by then President Aquino on March 17, 1988.

"BABAE: Tayo ang Pagbabago", an image of Filipina emphasizing a story and its societal role. These women are described as having values in their life like hard work, perseverance, resourcefulness, industriousness, harmonious family, faith in God, and commitment to succeed in their personal lives, or for a higher cause without seeking recognition.

As they say, "Strong women of today were raised by strong women of yesterday."

BY: JENNIFER R. ADAJO

JUANA: FEED YOUR CHILDREN'S MIND: PICK A BOOK FOR FREE! IN CELEBRATION OF 62ND PUBLIC LIBRARY DAY AND WOMEN'S MONTH 2021

BY: SONIA E. BAUTISTA

Pursuant to Proclamation No. 563, s. 1959 as Public Library Day, and Republic Act 6949 as National Women's Day, the QCPL-Payatas Lupang Pangako Branch prepared an out-reach activity to celebrate this two-national event. The activity entitled "Juana: Feed your children's mind: Pick a book for free" was organized by the District II library under the leadership of Ms. Chona Masbate. Its aim was to donate or give a book to women / mothers to be able to continue engaging their children in reading books amid the rise of technology and e-books. Last March 8, 2021 (Monday) the prepared 100 pieces

claim stubs with guidelines on how to receive a free book were distributed to by-passers women in front of the library. The following day, claiming of free books started, where a flock of women fall in line and wait their turn to receive the book. With a continuous adding number of women and even men in the line, hoping to pick a free book even without claim stub, Ms. Masbate decided to address the demand of these people. Logbook was used as an alternative record to those who haven't received a claim stub for document purposes. It was an overwhelming feeling that despite of pandemic, the District II library was able to continue the service through outreach activity following the health protocol and social distancing as always reminded by the government. The outreach activity ran for one week giving away books in front of the library. About 477 total numbers of books were distributed during the event. Truly, women believed that reading a book is very important to their children as it serves as an "avenue in the journey of life to their children", one mother said. Another mother expressed her belief that with books kids will truly enjoy reading while staying at home especially this time of pandemic, also through reading it will serve and create mother and daughter bonding. Women make change in all things.

NATIONAL BIBLE MONTH CELEBRATION

By: Ana Katrina Honrade

January is the celebration of National Bible Month as per Presidential Proclamation No. 124 declared by incumbent President Rodrigo Duterte on January 5, 2017. With this year's theme "God's Word Restores", the Quezon City Public Library through the Readers' Services Division (RSD) and the District Libraries Division (DLD), organized an online event via Google meet platform to celebrate the occasion. Only few librarians were present in the QCPL Conference Room where the online program was conducted so as to observe health protocols. The program was led by the OIC, City Library, Ms. Mariza Chico who gave her welcome remarks to the ninety (90) plus attendees via Google meet. The invited Guest was no other than Hon. Vice-Mayor Gian Carlo G. Sotto, also a Christian church leader, who gave an inspirational message. QCPL was so lucky and blessed that the Honorable Vice Mayor accepted our invitation.

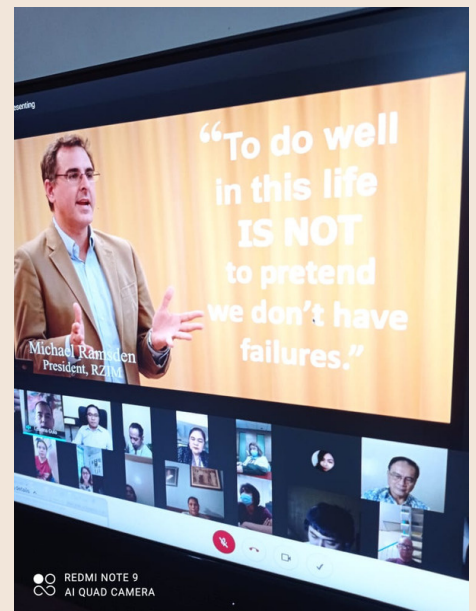

Also, on that day, we were blessed to have Pastor Henry Gula as our Guest speaker. He shared his experiences that reflects in this year's theme. He mentioned that the Bible is better than vision and that it is more reliable than emotions. He added that aside from being a source of spiritual vision and growth, the Bible is greater than miracles, more trustworthy than experience, and stronger than tradition.

After the talk proper of Pastor Gula, the QCPL, through the Readers' Services Division gave virtual certificate of recognition to our beloved pastors who have been supporting the QCPL in its spiritual journey and also in the conduct of values formation since 2008, namely: Ptr. Saturnino Balajadia, Ptr. Zaldy Sulvita, Ptr. Jonathan Rosario, and Ptr. Bayani Alpon.

Also, a special certificate of recognition was virtually given to our former City Librarian, Emelita L. Villanueva as the proponent and the one who persevered to organize the conduct of Values Formation in Quezon City Public Library in 2008.

After the awarding of certificates of recognition, Ms. Mary Ann Bernal, head of RSD gave the closing remarks.

The virtual celebration of the Bible month was a success. To God be the glory!

The activity started at 9:00 am with the host Atty. Stephanie Siason-Contreras sharing the objective of the webinar. The OIC City Librarian Ms. Mariza G. Chico rendered her opening remarks. Foremost, she congratulated the Publication Section team in organizing a very timely and meaningful subject entitled, "Copyright Good Practices and General Fair Use Considerations for Libraries". She mentioned it timely because most activities and services being done in the QCPL are based on the internet and online. It is just fair for us to know the laws and rules if we are abiding by it or violating the copyright law. She sighted the examples such as music, videos, images we are using for online videos, storytelling and others.

Ms. Rose Vannie D. Anicoche on the other hand, introduced the speaker Atty. Exequiel Valerio sharing his background and credentials as a resource speaker. Atty. Valerio is from the Intellectual Property Office Bureau of Copyright.

On the lecture proper Atty Valerio discussed precisely on the concept of copyright, its economic and moral rights, terms of protection, unprotected subject matter, infringement, best practices, concept of fair use, factors and statutory fair use under IP Code as well as IPOPHL Copyright registration process.

After the lecture proper a lot of questions were raised at the open forum. The exchange of conversation on the question and answer were truly beneficial and was answered very satisfactorily by the speaker.

After the spontaneous forum, the resource speaker was given a Certificate of Appreciation. And lastly, the head of the Library Extension Division/OIC, Asst. City Librarian Ms. Lucila R. Raquiño gave her closing remarks thanking all for making the webinar a success!
